ChirpNeighbors | Spring Garden

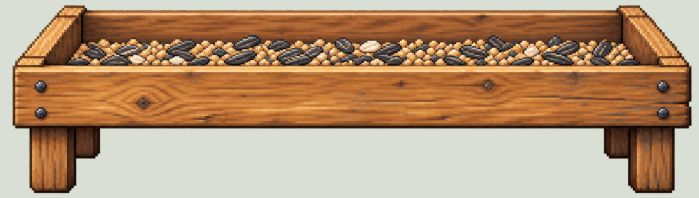

UNAPPROVED SOURCE CANDIDATES - partial alpha; runtime admission not validated

Blue Jay Standing

Spring Flowering Shrub

Wooden Feeder

Proposed game-scale review: silhouette widths 72 / 180 / 150 world pixels (not approved)

Original generation pixels; no masking or sprite conversion. Proposals use source-canvas contact estimates.

Next: deterministic alpha/mask cleanup, species/art review, then a separately validated runtime adapter.
